

# WELCOME

*UNIHILL KIDS*

## WE LOVED HAVING YOU ON SUNDAY

*Thank you for visiting us today! Do not hesitate to contact us if you have any questions about our programs [justin@unihillchurch.com.au](mailto:justin@unihillchurch.com.au)*

## OVERVIEW

UniHill Kids serves the vision of UniHill Church which is to Restore, Raise Up and Release.

We believe God has called us to Restore children to God, Raise Up to all God has called them to be, and Release them into what God wants them to do.

UniHill Church's mission is Training for Life. We believe God wants us to grow and develop in every area of our life, so that we can live life well, in our homes, schools and in our community. At UniHill Church, this training begins with the children.

We provide tailored programs to suit specific age groups including:

- 1-2 year olds: Tiny Tikes
- 3-5 year olds: Tikes
- Prep - Grade 4: UHK (UniHill Kids)
- Grades 5 and 6: REV Junior

## TINY TIKES

Tiny Tikes is designed for 1-2 year olds. It is a creche style program where the children are supported by our leaders to play freely. These sessions often include some simple stories, rhymes and/or bubble time!

We encourage families to provide a snack for their children. Please do not send in nuts, as our program areas are nut free zones. We encourage parents to remain with their children as long as is needed to settle them. We notify parents via the auditorium screen if their child requires parental assistance during the program. E.g Toileting/Nappy Changes

## TIKES

Tikes is our preschool program designed for 3-5 year olds. Our sessions usually focus on a Bible theme, usually with a Bible story, song and a craft activity.

The children also have opportunities to play with other children and interact! For this age group of children, our aim is to teach the children simple truths from the Bible and to help them remember these truths through providing a range of activities. Tikes is lots of fun!

We encourage parents to remain with their children as long as is needed to settle them. We encourage families to provide snacks for their children. Please do not send in nuts, as our program areas are nut-free zones. Healthy snacks are preferable to packaged foods. Please label lunch boxes and drink bottles. For newcomers and those who do forget, we will have dried fruit and crackers available. We notify parents via the auditorium screen if their child requires parental assistance during the program. E.g Toileting/Nappy Changes

## UHK

UHK Jr and UHK is our Primary School Aged Program from Prep to Grade 4! These sessions are fun and built around a theme. The children will usually hear a Bible Story, learn a Power Verse, and then hear a message about how we can apply what was learnt to our lives.

We provide lots of opportunities for the children to connect with others, with our class games and post-session hang-out time. While listening, reflecting and discussing, it is our prayer that each child develops a closer relationship with God.

We encourage families to provide snacks for their children. Please do not send in nuts, as our program areas are nut-free zones. Healthy snacks are preferable to packaged foods. Please label lunch boxes and drink bottles. We notify parents via the auditorium screen if their child requires parental assistance during the program.

# REV JUNIOR

REV Junior is our Pre Youth aged kids which caters to Grade 5 and Grade 6 children. This operates weekly and is designed to specifically engage this age group of children.

There is a big focus on building positive relationships, as well as learning about topics in the Bible. We have some old-school games and bring relevant discussion topics about what it really means to be a follower of Christ.

We encourage families to provide snacks for their children. Please do not send in nuts, as our program areas are nut-free zones. Healthy snacks are preferable to packaged foods. Please label lunch boxes and drink bottles.

REV Junior helps UniHill Kids to transition well into REV Youth (our Secondary program)

## WHO AM I

My name is Justin and I am married to the lovely Chloe. A little about my journey, I graduated from University back in 2016 with a Bachelor's degree. I worked in Project Management for many years before God called me into Ministry in 2023. I have over 10+ years of volunteer experience with Kids and Youth. I am passionate about raising the next generation in the things of God and am quite active in developing all ages from Kids through to Young Adults at UniHill Church. I am also passionate about seeing young people restored to God while having fun at the same time. Some information about Chloe, she is a full-time primary teacher. If you couldn't tell already, we both feel privileged to work with children and enjoy working in this capacity. I work with a great team at UniHill Church. All our volunteers are screened as we are devoted to creating a safe environment for all kids who attend UHK (UniHill Kids).

## STATEMENT OF COMMITMENT

At UniHill Church we believe that all children have the right to feel safe and be safe. Children and young people who are involved in any of our activities should receive the highest possible standard of care and protection. Therefore, in all our work, we seek to ensure their well-being and development. Within this context, we are committed to the protection of children, young people and the vulnerable from all forms of abuse. We are committed to being an agent of healing and justice. At UniHill Church we have a zero tolerance of abuse. With this in mind we are working hard at developing a culture of safety that ensures children are nurtured and protected when in our care. We have developed policies and implemented procedures for the safety and protection of children and youth, that all staff and volunteers are expected to abide by. All staff and volunteers of UniHill Church are screened and trained and are responsible for supporting the safety, participation, wellbeing and empowerment of children. We are passionate about raising a Godly generation and our aim is to partner with you to develop strong Christian disciples that follow Christ into adulthood.
